

FOREST

WindSim User Meeting, Tønsberg 22 June 2017

PRESENTED BY: Dr. Catherine Meissner

windsim

Content

- Share experience with forest modeling
- Research activities in WindSim and findings – deeper discussion
- Do you have processed forested sites with several measurements and want to share the sites with us to help improving the forest model? Let's discuss!
- Are you planning to do some forest validation soon? Let's stay in touch and discuss your set-up!
